I-84 EAST

Broadway Interchange

BROADWAY INTERCHANGE

- Build the east half of the new bridge over I-84.
- Construct the west half of the new bridge over I-84.
- Build the new ramps.
- Move and extend the soundwall along the westbound on-ramp.
- Rebuild Broadway Avenue from New York Canal to TA Travel Center.

The new Broadway Interchange will include more turn lanes, longer, wider ramps, sidewalks and a central traffic signal similar to the Vista Interchange.

CONSTRUCTION OVERVIEW

Construction will begin in March 2014 and end in late 2015.

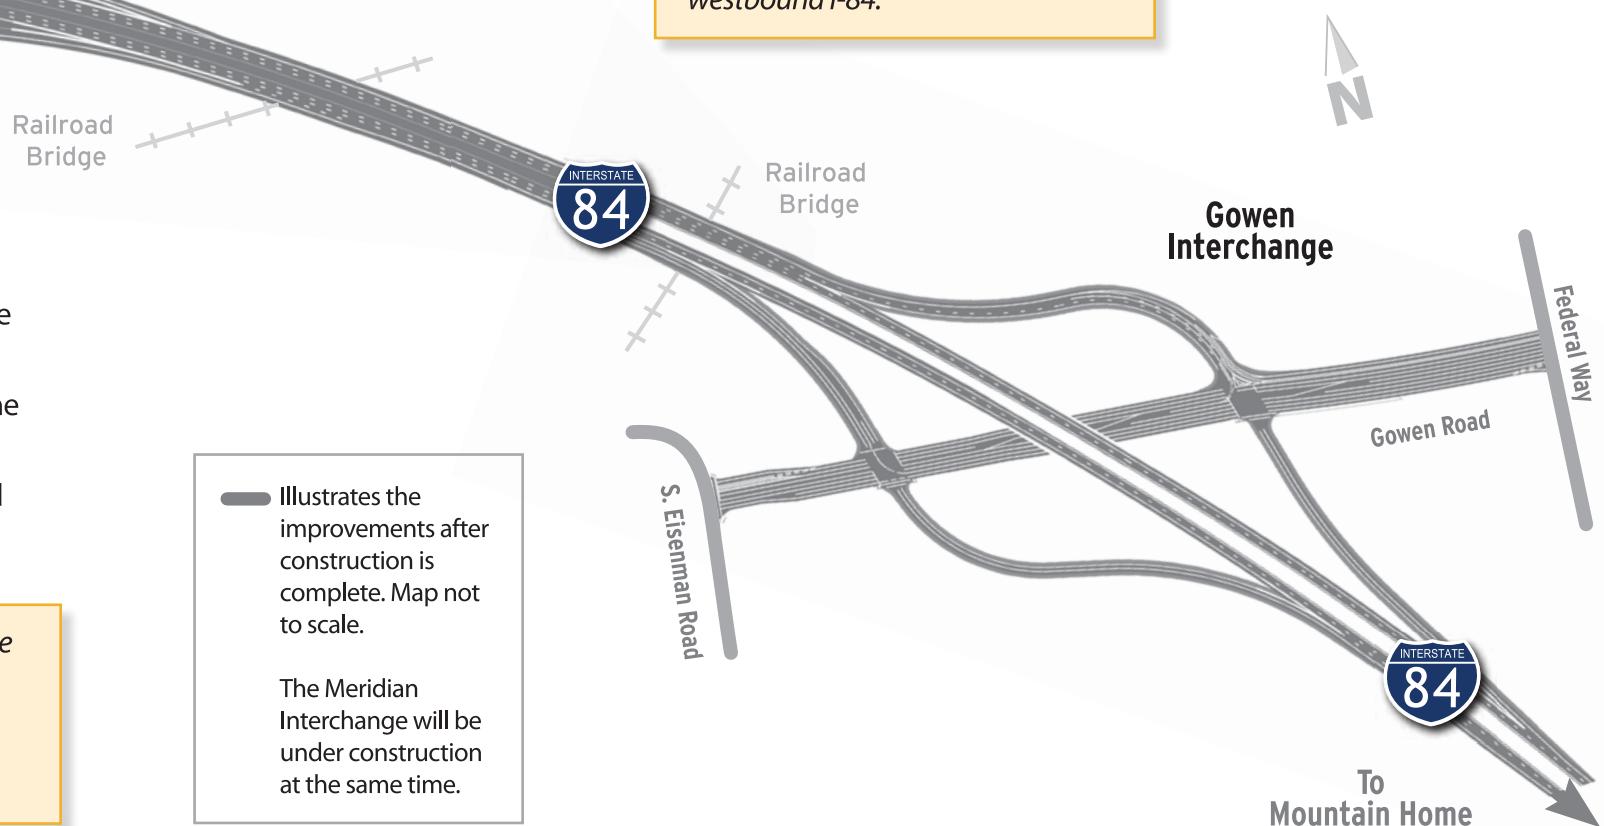

GOWEN INTERCHANGE

- Build the eastbound I-84 bridge over Gowen Road.
- Construct the westbound I-84 bridge over Gowen Road.
- Build the new ramps.
- Widen and rebuild Gowen Road from Federal Way to S. Eisenman Road.

The new Gowen Interchange will have longer, wider ramps and five through lanes on Gowen Road including sidewalks and bicycle lanes. Turn lanes will be improved on Gowen Road, Federal Way, S. Eisenman Road and a traffic light will be added for drivers exiting westbound I-84.

I-84 EAST

Gowen Interchange

I-84

- Build the new eastbound lane in the median.
- Build the new westbound lane in the median.
- Traffic will use crossovers and dedicated exit lanes during construction.

When complete, I-84 will have three lanes in both directions between Broadway and Gowen.
